

Planner

Are you interested in working as a planner for an innovative and growing company? Then we are looking for you!

Cleantron

Cleantron develops and produces Lithium batteries in Nieuw-Vennep. Our batteries are used in many different applications such as E-Bikes, e-scooters, e-boats, construction machinery and all kinds of industrial equipment. For us, quality and reliability are very important, and of course that starts with the products we buy.

Tasks

As a Planner you are responsible for the 4 and 12 week production planning of lithium-ion battery packs, the input for this includes the sales forecast, production capacity, maintenance planning and the ERP settings of the item. You ensure that the buyer is aware of the planning and together with the buyer you ensure that sufficient stock is available. You ensure that the master data are up to date and you contribute to the preparation of the necessary overviews and reports. You support the warehouse and service departments where necessary to ensure smooth operation. You are accountable to the Supply Chain & Planning Manager.

Your daily tasks are:

- Ensuring the production planning that is up-to-date
- Informing production about stock and delivery
- Accurately set up the MRP planning together with the production team
- Maintaining and improving the ERP master data (purchasing)
- Creating reports and overviews on related topics
- Purchasing production materials in a timely manner together with the buyer

What do we expect from you?

- A relevant MBO+ education or experience in a similar position
- Experience with MRP and ERP.
- Advanced experience with Excel and creating dashboards/reports
- The Dutch and English language, spoken and written
- Are analytical and accurate
- Have a sense of responsibility
- Can think in terms of processes
- No matter how chaotic or busy it is, you ensure a clear production plan in every situation

We offer

A pleasant working environment with an enthusiastic team, room for personal development and input in an innovative and growing company. The job listing is full time, but part time work is also definitely negotiable. We offer you a competitive salary depending on your education and experiences.

Interested?

If you recognise yourself in the above profile, please send your CV to jip.knaap@cleantron.nl. If you have any questions about the vacancies, please feel free to contact us. More information about Cleantron can be found at www.cleantron.nl.
